

Safe
HAVEN
5 SET

This
Safe Haven 5 Set
and water reduces
over 80 chemicals
in your home.*

*Based on a comparison
of Norwex Safe Haven 5
to 18 retail brand cleaning
products, 2020.

Norwex[®]

1 EnviroCloth®

*Cleans everything
using only water!*

How to Use:

Fold the cloth so you
have eight clean sides.

Wipe with flat, even strokes.

Use damp for general cleaning
and heavily soiled areas.

Use dry to attract dust and dirt
particles and to clean up spills.

Where to Use:

Countertops • Sinks • Doors
Toys • Window Sills • Baseboards
Refrigerators • Anywhere There's
Dirt and Grime

*Removes up to 99% of bacteria
from a surface with only water.**

Why It Matters:

Typical adults have more
than 700 man-made
chemicals in their bodies.

Get your home clean
without taking a chance
on your health.

*When following proper care and use instructions.

BacLock®

Window Cloth

2

*Get a streak-free
shine every time!*

Why It Matters:

Glass cleaners contain harmful chemicals. Paper towels create waste. And together they can leave streaks.

How to Use:

For heavily soiled surfaces, first clean with a wet EnviroCloth, then polish with the Window Cloth.

To clean shiny surfaces, lightly mist with water and polish with a dry Window Cloth.

Where to Use:

Windows • Mirrors • Jewelry
Chrome • Glass • Crystal • Ceramic
Knickknacks • Shower Doors

3 Dusting Mitt

*Attracts dust
like a magnet!*

How to Use:

Just slip it on your hand and go! The mitt quickly picks up dust and allergens from all surfaces.

For heavily soiled surfaces, such as blinds and screens, dampen the mitt.

Where to Use:

Furniture • Blinds
Lampshades • Plants
Ceiling Fans • Window Screens
Anywhere Dust Collects

Why It Matters:

Chemical-laden furniture sprays cause waxy buildup, attracting even more dust, while regular cloths just sweep dust into the air to resettle.

Cleaning Paste

*Elbow grease
in a jar!*

4

Why It Matters:

Safely fights through tough grime and other sticky situations.

How to Use:

Swipe a damp EnviroCloth or SpiriSponge across the paste two or three times. Clean the surface then rinse with water. Lather well for a more gentle scrubbing action.

Not for use on brushed stainless steel, nickel, pewter, aluminum, wood or special coatings.

Where to Use:

Countertops • Showers • Grout
Coffeepots • Sinks • Bathtubs
Chrome • Bakeware

5

Laundry Detergent

Cleans with no fillers or harmful ingredients.

How to Use:

Ultra Power Plus™ Laundry Detergent: Just a little scoop or two is all you need—even less in an HE machine!

or

Liquid Laundry Detergent: Just a few pumps is all you need—even less in an HE machine!

Where to Use:

HE • Conventional • All Fabrics*
Microfiber • All Water Temperatures

*Follow garment label instructions for silk and wool.

Safe Haven 5 Set

1 each of: EnviroCloth®, Window Cloth, Dusting Mitt and Cleaning Paste

with Ultra Power Plus Laundry Detergent
1905 Retail Price ~~\$19.95~~ **\$104.49**

with Liquid Laundry Detergent
1919 Retail Price ~~\$19.95~~ **\$114.49**

Why It Matters:

Traditional laundry cleaners contain harmful chemicals. Toxic residue left behind on clothes may irritate skin and even absorb into it.

no BUCKET. ***no*** MESS.
no STRESS. ***no*** KIDDING!

Our Mop Systems take the
hassle out of mopping.

Superior Mop Starter System

Microfiber Care

Slightly dirty cloths and towels can be washed under warm running water between uses.

For best results, use a laundry detergent that's free from fillers, like Norwex laundry detergents. Wash with lint-free laundry.

Don't use bleach, fabric softeners or dryer sheets.

All Norwex Microfiber products carry a two-year warranty. Please visit www.norwex.biz/en_US/norwex-guarantee for complete details.

Our Global Mission

Improving quality of life
by radically reducing chemicals
in our homes.
