

## What's inside?

### Free samples + 10% off!

They'll get a FREE Mini EnviroCloth® and Mini Window Cloth – made with the premium microfiber Norwex is known for. Plus, a 10% off coupon to save big on their first purchase on your Personal Website!

BETTER TOGETHER

# Free samples, big growth

Noon, CT, August 1 - Noon, CT, October 1

Our famous microfiber cloths work better together – and so do we! We're teaming up with Office Suite subscribers to help you share Norwex through free samples that spark new connections.\*

While supplies last, for a limited time.

## How it works:

- **Send free samples:** Send a Mini Basic Package Sampler to new customers and introduce them to Norwex the smart way
- **We'll help cover shipping:** Each sampler ships for just \$5 to make sharing easy – we're pitching in to keep costs low so you can reach more people
- **Earn rewards:** For every 5 sample packs you send, you'll earn \$20 back in Norwex Discounts

*Get helpful How Tos and FAQs at [The Resource > Consultant Materials](#).*

## How to send:

Log into your Consultant Back Office, start a new customer order and enter the new customer's email address. Claim the Mini Basic Package Sampler "Special Offer" that appears with the side promo offers by selecting "add to cart," then click "Checkout."

\*Offer available from noon, CT, August 1 through noon, CT, October 1, 2025. Consultants must have an Office Suite subscription to participate. Offer valid only for new customers who have never placed an order in NORI. One Mini Basic Package Sampler allowed per new customer and per order. New customer's email and shipping address must be entered for offer eligibility. Customer coupon is valid with no minimum purchase and expires noon, CT, November 1, 2025. Customer coupon redemption requires the customer to have received a Mini Basic Package Sampler; new customers not sent a sample will not be eligible. Discounted shipping applies only when the Mini Basic Package Sampler is the only item in the cart. Mini Basic Package Sampler colors and patterns are subject to change.
