Your Golden Tickets

Who would you love to be doing this with? Your starter kit has three Norwex Golden Tickets, giving you the opportunity to offer three people the chance to join your Team with \$35 off our Safe Haven 5+ Starter Kit.

Golden Tickets expire at the end of your 45-day Bright Start period. You can find your Golden Ticket code in your New Consultant Welcome Email, on your Back Office Dashboard or by contacting the Norwex Consultant Care Center. To use a Golden Ticket, your new Team Member will go through the enrollment process and enter your code into the discount field at checkout. This will reduce the cost of the Safe Haven 5+ Starter Kit by \$35. To see who has redeemed your Golden Tickets, access your Back Office Dashboard for the names of the individuals who have entered your code.

Five Steps to Start Strong

- 1 Share with family and friends**
Invite close family and friends over to hear about why you started your Norwex Journey. You may even unbox your Starter Kit with them and demonstrate how effective our products are. The [butter demo](#) is a great place to start!
- 2 Find your first two Hosts**
Who do you know who would host their own friends and family and allow you to share the Norwex Mission? Booking your first two parties in your first few days is a great way to start earning while you're learning. Check out our [Safe Haven 5 party template](#); it's got everything you need to make your first party a success. And don't forget, there are many benefits for your Host, too!
